

“UNDER THE LIGHTS” CAMPAIGN

In 1956, the Southampton Tennis Club was born with the construction of the uptown courts. As the only location with overhead lighting and a back wall, the uptown courts are a rather unique asset for our club. This coming spring, we'll be reconstructing them at the cost of approximately \$100,000. Please provide your support so we can all continue to play “under the lights”.

To thank you for your thoughtful donation, the first 20 people to contribute \$100 or more will receive a 60th anniversary Southampton Tennis Club sports towel.
