42	Men's Super Sr. Vets' Doubles	65 and over	2 out of 3 sets
43	Women's Doubles Monday Group	18 and over	Pro 8

We adhere to OTA definitions for tournament play.

¹ For categories 1 – 24, the child's age as of January 1st of this year determines their eligibility for a given event, plus categories 1 – 24 **do not include** the ages noted in the age requirement. For example, U12 is for kids **under** the age of 12. Twelve-year olds as of January 1st must play in the U14 category. Or, if they were 11 years-old on January 1st but have since turned 12, they can play in the U12 category.

² "Parent" refers to anyone who is a social but not necessarily a legal or biological parent to a child.

³ This category is open to all common-law or married spouses. Since it was formerly the "Husband & Wife" category and this language remains on the trophy, it also appears in the title for the new category.

All participants must be either seasonal members or members for the month of August.

Adults must be available to play the two consecutive weekends prior to Cups Day as well as on Cups Day.

For a complete listing of the rules, please visit [Cups Day rules](#).
